## *Hello CPCU Society Parents!*

Thank you very much for your interest in the CPCU Society children's program. Our goal is to provide your children with a program *they* want to attend, while providing you with that critical "peace of mind" feeling so you can attend event activities.

KiddieCorp is pleased to provide a children's program during the CPCU Society 2010 Annual Meeting and Seminars. KiddieCorp is in its twenty-fourth year of providing high quality children's programs and youth services to conventions, trade shows and special events. We take watching your children very seriously. KiddieCorp has enjoyed a long-time partnership with the American Academy of Pediatrics, which has helped to establish KiddieCorp as a premier provider of event children's program services.

### **ACTIVITIES**

Activities include exciting themes, arts & crafts, group games, music & movement, board games, story time, dramatic play, etc. We provide activities appropriate for each age group, using safe, sturdy equipment that you can feel comfortable with. For added fun, we encourage all the children to come dressed as their favorite comic or sci-fi character throughout the program. Children can make their own choices within KiddieCorp's program.

Wiggle & Giggle - Within the KiddieCorp program children will be able to exert their energy while participating in various group games such as Simon Says, Relay Races, Duck-Duck-Goose and Red Light Green Light. They will also have fun while playing in our colorful children's tents.

Relaxation Zone - Children who like the quieter activities will be able to sit back and relax in our less rambunctious area. We will have various books for all the different ages. Our staff will enchant the children by holding story time. We will also have tea sets and play food for the children who like to play grocery store or house.

Artist Alley - The artists in the children's program will be able to express their creativity. We will have various sorts of craft supplies for the children. All the children will have the opportunity to make beaded jewelry, fun paper hats, colorful collages, etc. The kids will want to make sure they create their very own hand puppet to take home.

Infant/Toddler Children - The youngest of our group will be surrounded by tactile toys that stimulate fun and learning. There will be soft building blocks, stacking toys and activity centers. The little ones will also have various ride-ons and toddler books to help keep them entertained. We will have sing-a-longs with their favorite nursery rhymes. To help the kids stay on their napping schedule we will do our best to have everyone settle down for a rest a couple times throughout each day.

Construction Zone - For the builders in our group we will have an area dedicated to blocks and Legos. Children will be able to create structures only a child can dream of. Our blocks will have the children feeling like little architects. All the kids will not want to forget to stop by our Play Doh sculpting table to show off their molding abilities.

## **COMMITMENT**

Our goal is to provide your children with a comfortable, safe and happy experience. Our staff to child ratios are high to ensure that every child feels safe and special (1:2 for children ages 6 months through 11 months old; 1:3 for children ages 1 through 2 years old; 1:5 for children ages 3 through 5 years old; 1:7 for children ages 6 through 12 years old). KiddieCorp team members are selected according to their integrity, experience, education and enthusiasm. They must be wonderful with kids! You will feel extra secure knowing that the KiddieCorp team is bonded and that we carry ample liability insurance.

## **WHERE, WHEN, FOR WHOM**

The program is for children ages 6 months through 12 years old. The dates of each program are September 25<sup>th</sup> and September 28<sup>th</sup>, 2010 and will be located at the World Center Marriott in Orlando, Florida.
